**WESTON**

WESTON, Dec. 2.—No little sensation was created in the city when the dead body of a baby was found in the hospital grounds. According to the statement of Dr. M. D. Cure, and other members of the coroner's jury, the baby had been born alive and evidences showed that it had been killed. The little body was wrapped in a pillow case and some paper had been put in a box and placed in a brush heap on the hospital grounds not far from the reservoir where a workman found it. The body was buried Sunday morning at the Hill cemetery. No arrests have yet been made but a thorough investigation is taking place.

The body of the twelve-year-old son of Mr. and Mrs. A. E. Sutton, of Churchville, who was accidentally killed with a gun held by a playmate of the same age, was brought here Sunday and buried at the Macphelah cemetery. A blast set off by junk men who had purchased an old engine and who were trying to tear it to pieces near the Danser foundry threw several pieces of the engine into residences along Bland avenue causing considerable excitement and doing no little damage to the Morrison and Roach properties on that street. Sills for the street car bridge at the fair grounds has arrived and are now being hauled to that point. Steam shovels and other machinery are being unloaded every day at the Baltimore and Ohio yards near the bridge.

**HAVE COLOR IN YOUR CHEEKS—BE BETTER LOOKING—TRY OLIVE TABLETS**

If your skin is yellow—complexion pallid—tongue coated—appetite poor—a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

These Olive Tablets oil the bowels—yet have no oily taste. They are a vegetable compound mixed with olive oil.

If you want a clear pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause. Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box.

Every little Olive Tablet has a movement all its own. Take one or two nightly and note the pleasant results.
